EXT. ROCK BY SAM- CONTINUOUS

Sasha approaches the group, eating, drinking, drying off. Eventually Sam looks up.

SAM  
Sup?

SASHA  
Could I get a lighter?

SAM  
For what?

Sam smiles, he's messing with her. Sam looks past Sasha towards Vera who quickly pretends to care about her phone.

He looks back up at Sasha, hands her the lighter, smiles.

SAM (CONT'D)  
Don't try to keep it.

SASHA  
I know.

Sasha takes the lighter and walks back to Vera.

## SCENE 2

EXT. ROCK - CONTINUOUS

Vera stands tall at the ledge. A few boys in a group look up, watch her, she's a knockout. Sam looks then looks away.

Vera looks back once more at Sasha. Sasha doesn't break focus.

Vera counts down under her breath, jumps -

As Sam calls out to Sasha.

SAM  
Yo!

Sasha looks over.

SAM (CONT'D)  
Let me get my lighter back.

Sasha turns back to look for Vera, doesn't see her.

SAM (CONT'D)  
Can I get my lighter? Please?

Sasha nods and walks over to him, looking for Vera. She hands the lighter to Sam.

SAM (CONT'D)  
Thank you.

Sasha nods, tries to find Vera.

SAM (CONT'D)  
What's your name?

SASHA  
Sasha.

SAM  
That's a weird name. It's nice though.

Sasha turns quickly to look for Vera. She should be reaching the shore by now. Or at least close.

Sasha waits and watches. Nothing. It's odd. Sasha keeps her eyes peeled. Still nothing.

She scans the groups of other kids already on the other shore. No Vera.

SASHA  
Did you see her get to the other side?

SAM  
I wasn't watching.

Sasha walks away.

SAM (CONT'D)  
You're welcome.
